Based in New Zealand. Available by live cover

## 16hh Appaloosa stallion

'Impressive' is a good word for this stallion.

His balance, reach, power and good looks turn heads wherever he goes and he's so quiet that most people don't realise he's a stallion.

An excellent type for dressage and jumping, he's also adaptable enough to produce a top performance in the western arena.

He's a sire of calm, talented and versatile types who have plenty of jumping ability.

# Double A Mountain Mist

Based in New Zealand. Available by live cover + NZ wide by chilled semen.

## 14.3hh Appaloosa stallion

---

B Grade (all Appaloosas in the first 4 generations of the pedigree) Appaloosa stallion, registered with ApHANZ

Mountain Mist was bred by Double A Appaloosas, sired by Joker's Fire 'N' Ice out of P&R Reflection Snowdoll.

He's a compact 14.3 hands, ideal for producing colour and a fantastic nature.

As an added bonus, he's a fewspot leopard whose foals will always inherit Appaloosa characteristics.

# Enriched (imp Aust in utero)

Based in New Zealand. Available by live cover

## 15hh Appaloosa stallion

---

Enriched represents an incredible breeding opportunity for all Appaloosa enthusiasts.

He is the ultimate working-bred Appaloosa in New Zealand, a heck of an athlete and a 100% appaloosa colour producer.

His foals are as smart as they are well conformed and athletic and you're guaranteed a calm and trainable temperament.

His sire is one of the few Appaloosas to hold a National Cutting Horse Association (Australia) Certificate of Ability.
